FEATURED EXHIBITIONS

Global Threads: India's Textile Revolution

12.13.2025 – 4.5.2026

Featuring pieces from the Museum's world-renowned collection, and several important international loans, this ROM-original exhibition explores how over thousands of years India's artisans have created, perfected and innovated these printed and painted multicolored cotton fabrics to fashion the body, honor divinities, and beautify palaces and homes.

The American Quilt: Cloth and Commerce

5.23.2026 – 8.30.2026

From the Revolutionary Era to today, quilts have reflected the evolution of American industry, culture, and trade. *The American Quilt: Cloth and Commerce* features over 40 quilts and coverlets from the Bowers Museum's collection and special loans, tracing how fibers like cotton, silk, wool, rayon, and polyester shaped two and a half centuries of American quilting.
